Association Investment

Since Association incorporation:

- Over 15 years, Boroondara Netball Association has been working to develop young women and girls in sport
- \$400,000 invested directly into local infrastructure, supporting both netball and local community
- Profits invested in programs in women's and girl's leadership and development, health and sport. Offered to all the Netball community.
- Continue to work with council, state and federal government and other partnerships to enable the best outcomes for Boroondara residents for our sport, our health and our communities.

Urgently needed

4 Additional Courts, so that Council through BNA can;

- Support young people to access association and social netball within Boroondara
- Support future participation growth in women's sport
- Support training and community sports needs including those of local schools
- Enable access to local pathway development programs (Full Games, Full Programs)
- Introduce new programs such as Rock Up Netball, Men & Boys Competition, Walking Netball and All Abilities Netball
- Introduce opportunities for mid-week and alternative competitions and programs

*Includes both Primary and Secondary Registrations. Secondary registrations include those who may register outside of the LGA in the first instance
