- Every participant needs to register to **every competition** they participate in ie) *if you play in another Association / Rep team, you also have to register with that competition.* Every club / team you play with will send you a link to register to their competition. Once registered you can be allocated to a team.
- You will only pay the Netball Victoria Membership fee **once** per calendar year. Therefore, if you have already paid your NV Membership with another club for 2023 you must still register with the competition but you will not pay that portion of the fees.
